(boy) , *(boy)* , and *(boy)* one day you will grow up and get married and have your own children! God says you are to be the leaders of your family and provide for your family. And you know what that means? That means you will go to work to make money so you can buy a house, a car, food, and clothing for your wife and children. What job do you want to do when you grow up? *(answers will vary)*

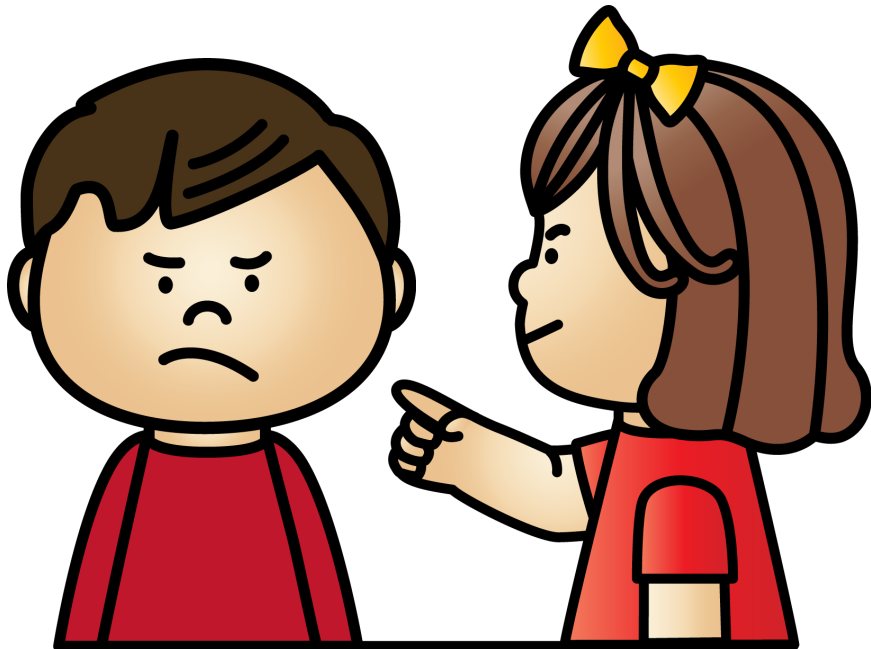

Hold up picture:

Boys, God also says you are to give honor to your wife as to a weaker vessel. That's like a beautiful, fragile vase. I know my husband and my two boys like to wrestle a lot. Would you wrestle around on the floor with a vase? **(No)** Because it might break. The same way you would be gentle with a vase, you should be gentle with every girl. You should treasure your wife and protect her. Which of these pictures shows a husband honoring his wife? ***(Put red X on bad picture)***

Hold up picture:

(girl) , *(girl)* , and *(girl)* one day you will grow up and get married and have your own children! God says you are to be the keepers of the home for your family. And you know what that means? That means you will clean, and cook, and go grocery shopping, and take care of the children.

Hold up picture:

Girls, God also says you are to respect and submit to your husbands. God created women to help men, so we need to serve our husbands and obey them. Which of these pictures shows a wife respecting her husband? ***(Put red X on bad picture)***

God made the family. And he gave moms and dads jobs to do. Your mom and dad work very hard and they do it because they love God and they love you! So, you should obey them and try to find ways you can help your parents at home. What are some things you can do to help your mom and dad?
