

## "ACTS of Prayer" Posterboard

### SUPPLIES NEEDED

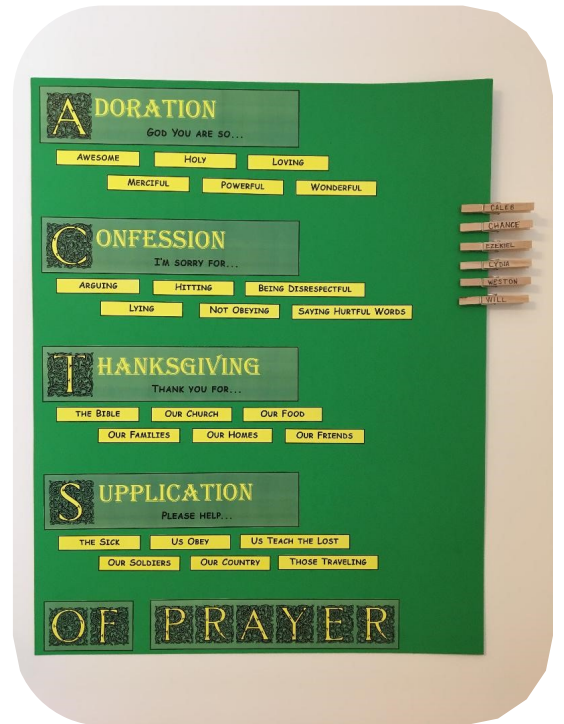

You will need the following:

- 4-5 Sheets of Legal paper (8.5" x 14")
- 1 Green or Yellow Poster Board
- Rubber Cement
- 1 Clothespin per Student

### DIRECTIONS

- Print pages 2-5 for younger students OR pages 6-10 for older students one-sided on legal size cardstock paper.
- Cut out all the pieces and use rubber cement to glue them to the poster board as seen in the picture. Laminate the poster board.
- For younger students, write each student's name on a clothespin to clip to the right side.
- Put enough [Mavalus](#) tape on the back of the poster board to hold it to the wall, but do not put tape too close to the side that will have the clothespins (see picture).
- During class, review the ACTS of Prayer before having one of the children say the prayer. The student whose name is at the top gets to say the prayer. After the prayer, move that student's clothespin to the bottom.
- Older students can fill in what they want to pray for on the lines using a wet-erase (transparency) marker before praying. Use baby wipes to wipe off the marker after class.
