

Nebuchadnezzar's 1st Dream

SUPPLIES NEEDED

For each child you will need the following:

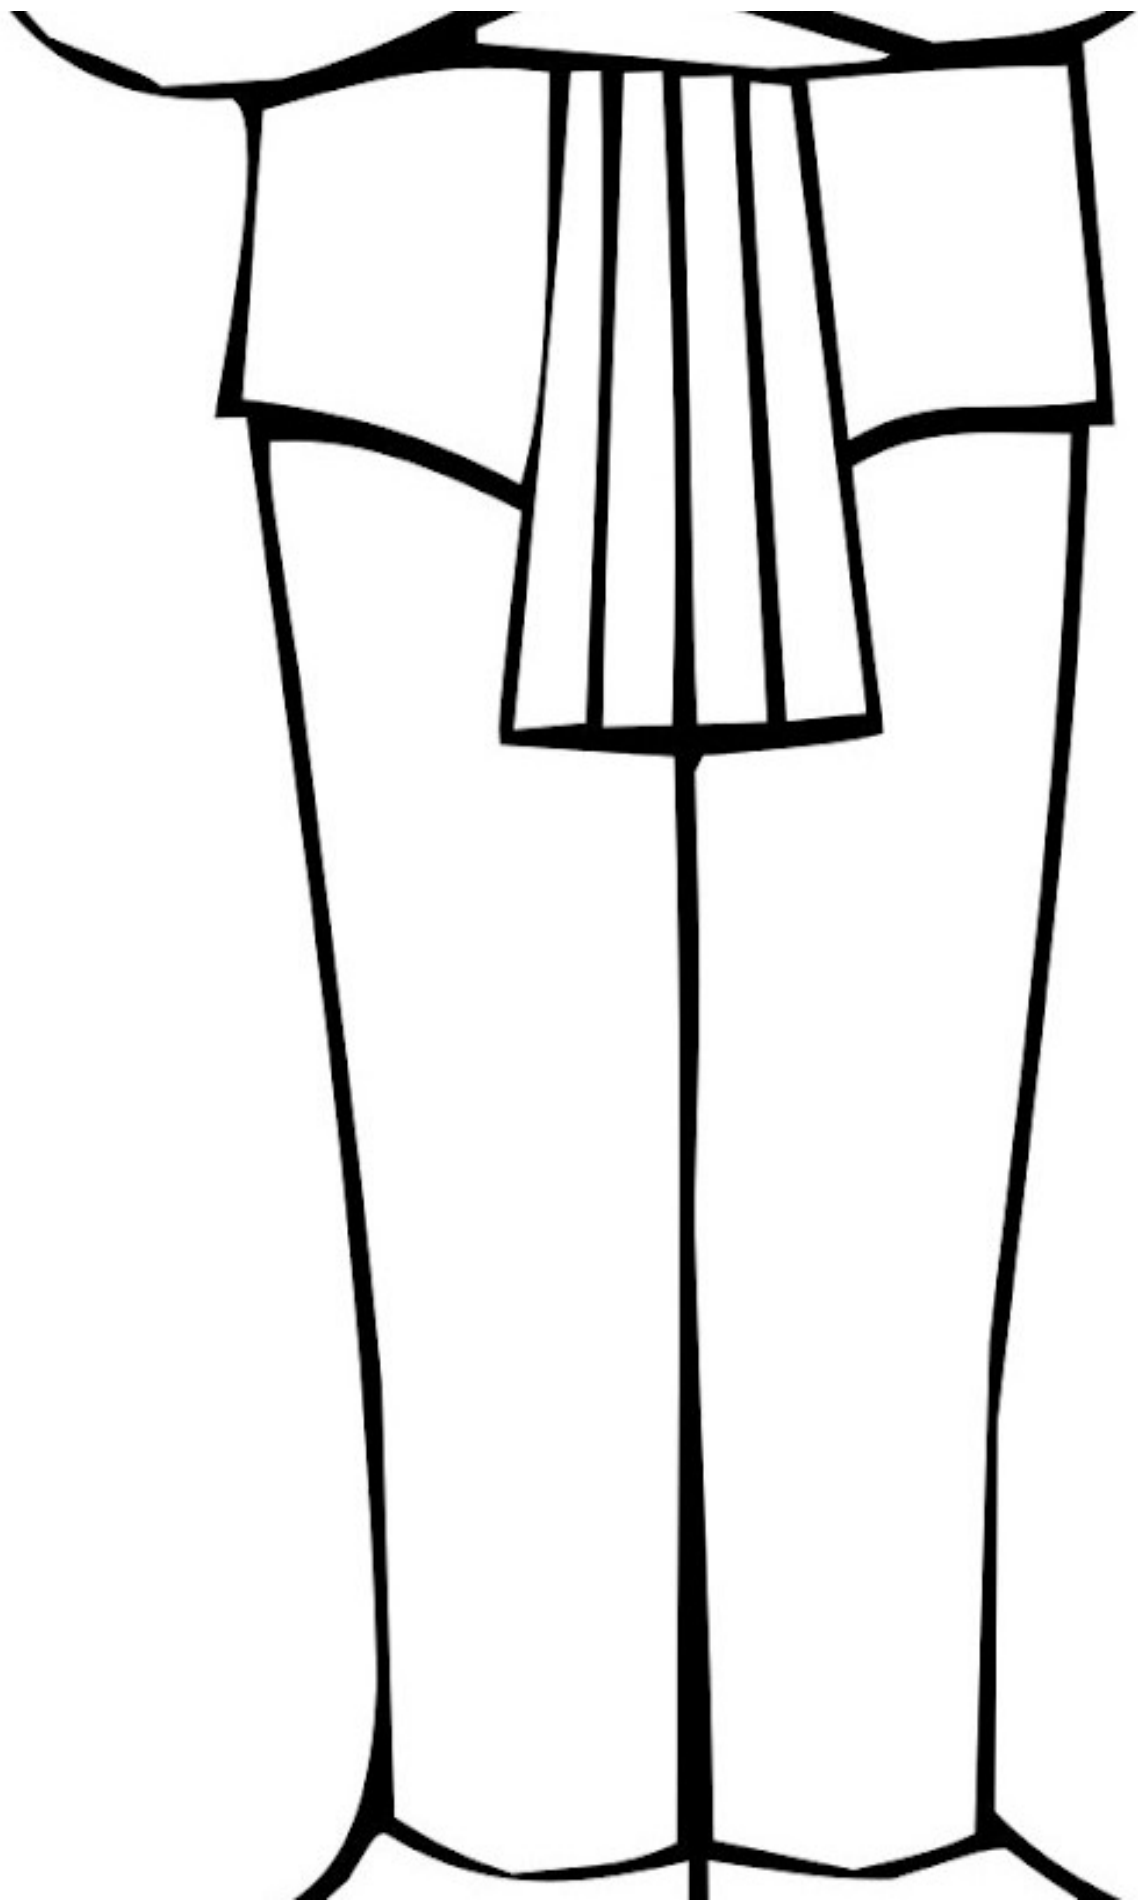

- 2 Sheets of printer paper (8.5" x 11")
- 5 Sheets of Cardstock (8.5" x 11")
- 5 3 mil Laminating Film
- 12 Clear Velcro Dots (optional)
or Mavalus Tape

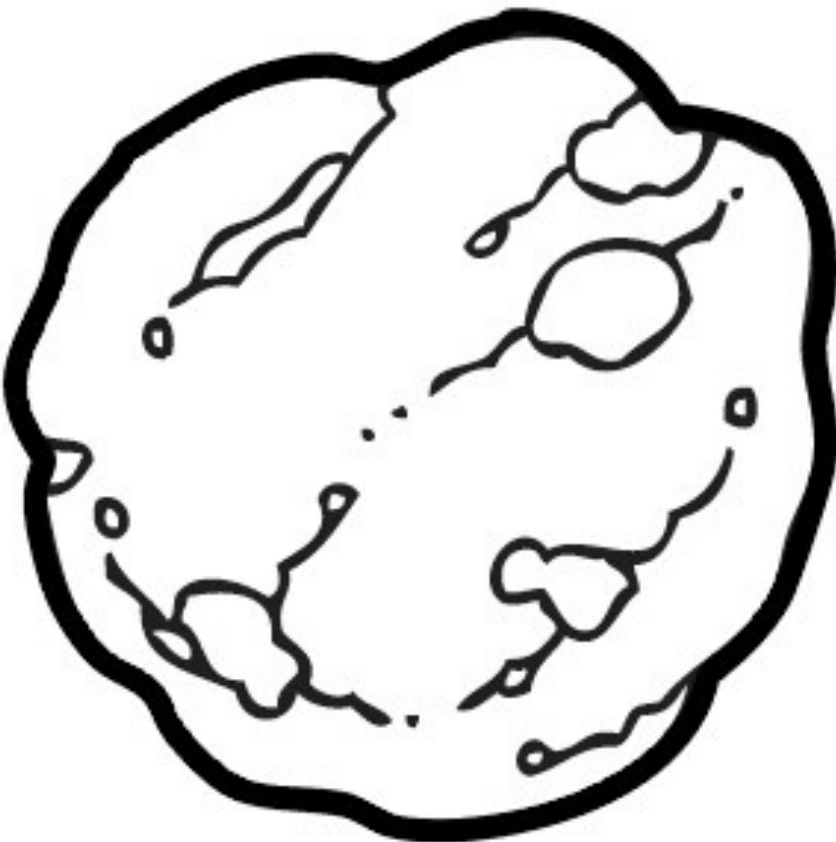

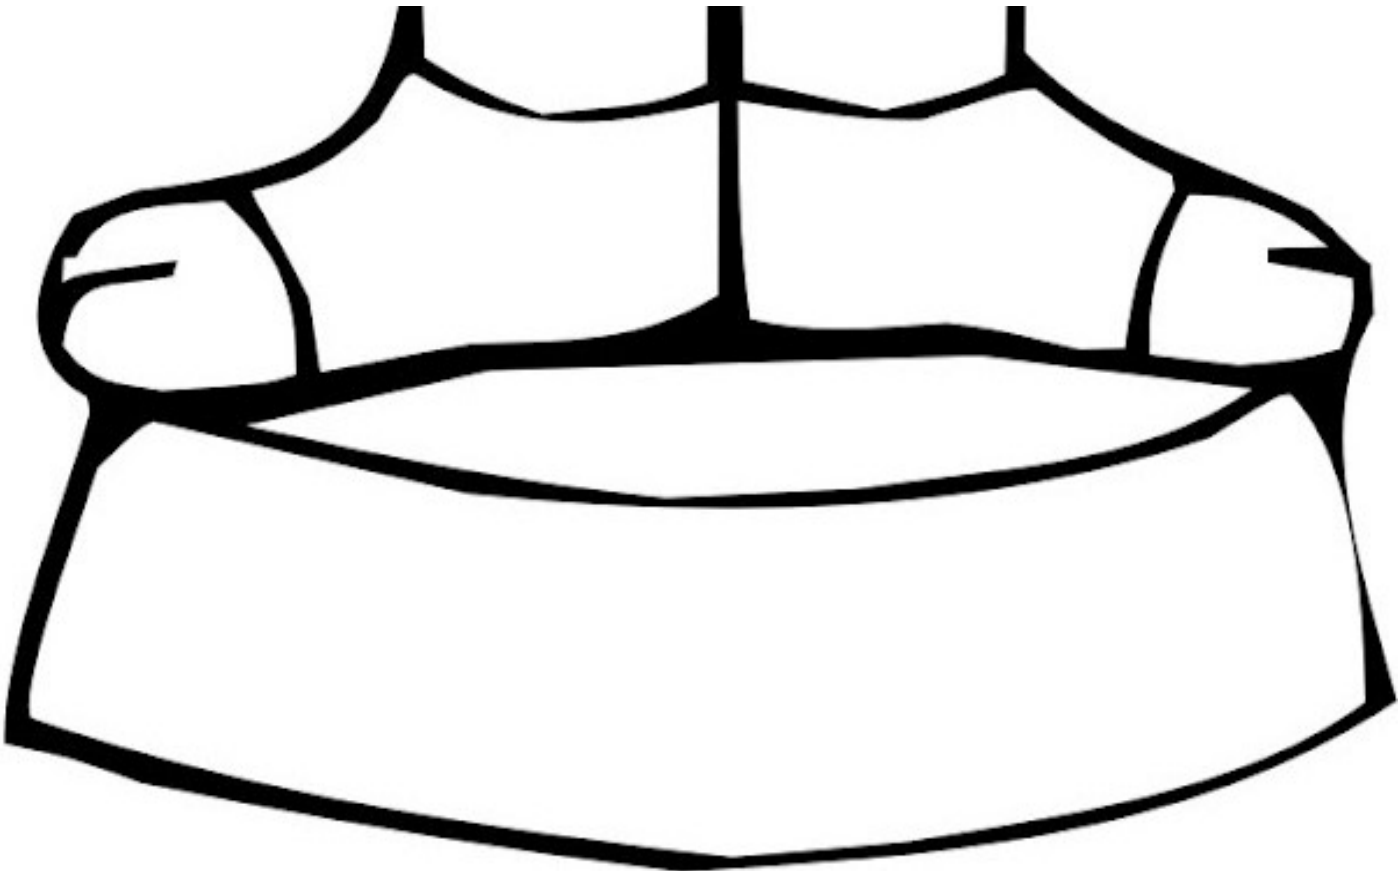

DIRECTIONS

- Print pages 2-6 on cardstock paper.
- Use crayons or markers to color the statue and the rock the way you want.
- Cut out all the pieces separately and laminate them.
- Print pages 7-8 on regular printer paper for your students. To save time during class, cut out the arrows on page 8 for each student and put them in a baggie.
- Use mavalus tape to "build" your statue (taping it to the wall) during class while you tell the story or use clear Velcro dots to "build" the statue on a poster board during class.
- Students should color their statue the appropriate colors and glue the arrows onto their paper.
