

Valentine's Day Love Tree

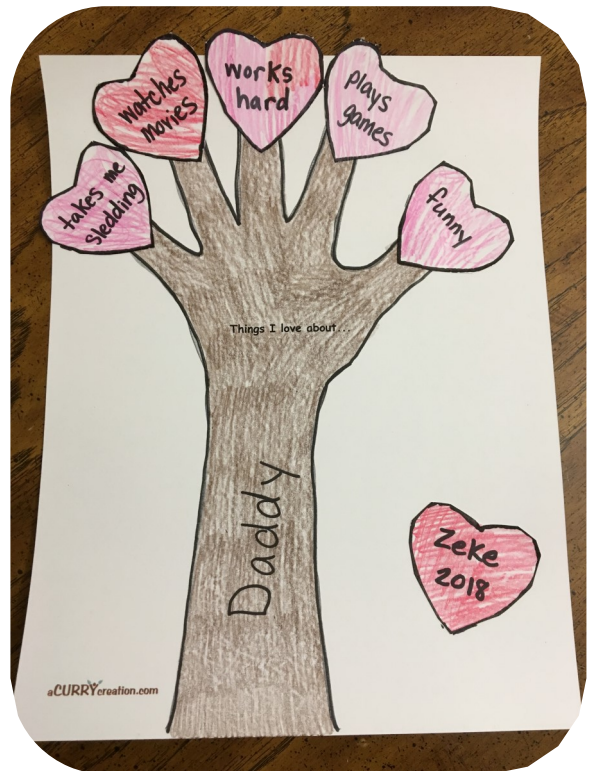

SUPPLIES NEEDED

For each child you will need the following:

- 1.5 Sheets of Cardstock (8.5" x 11")
- Pink and Red Crayons
- Black Marker
- Scissors
- Glue

DIRECTIONS

- Print pages 2-3 on white cardstock paper for each child. (There are two sets of hearts on page 3).
- Have child place his/her palm on "Things I LOVE about..." and trace the child's hand and arm with a black marker.
- Write the name of the person to whom the child wants to give the love tree on the "trunk" (aka arm) of the love tree. Then have the student color the tree brown.
- Write down things the child loves about the person on five of the hearts with a black marker. On the sixth heart, write the student's name and the year. Have the student color the hearts and cut them out.
- Glue a heart to each of the tree limbs (aka fingers) and glue the name heart near the bottom of the page.
